

Project New Hope

JOIN OUR TEAM TODAY!

Did you know that...

- Between 40,000 to 60,000 people are newly infected with HIV every year?
- Half of those newly infected are under the age of 24?
- 25% of those newly infected do not know it?
- L.A. County AIDS cases account for 35% of all cases in CA?

AIDS Walk Los Angeles is a 10 kilometer walkathon that benefits Project New Hope (PNH), in addition to several other AIDS Service organizations. Our team has set a goal of raising \$20,000. We can easily reach that goal if 100 register and they each raise \$200.

TO REGISTER

JOIN OUR TEAM ONLINE AT WWW.AIDSWALK.NET/LOSANGELES

- Simply click "**Register To Walk**", "**Join a Team**" then select our team name (**Project New Hope Team 4081**) from the pull-down menu.
- Or contact **Anthony Garcia at 213-250-9481, Ext 22** and he can register you.

Project New Hope promotes a full continuum of supportive housing and employment options to low income individuals and families with HIV/AIDS...
